111 Places in New Orleans That You Must Not Miss is your ultimate guide to uncovering the Crescent City's most unique and hidden gems. Beyond the jazz clubs and Mardi Gras parades, this book reveals the city's soulful layers—where history, music, cuisine, and mysticism collide. Discover the roots of jazz, the birthplace of America's first cocktail, and the vibrant mix of Creole and Cajun cultures.

Explore secret spots like a chapel adorned with cast-off prosthetics, the oldest African-American Catholic church in the U.S., and a bridge hosting Voodoo ceremonies. Indulge in local flavours with praline bacon, pork belly po'boys, and Bananas Foster sno-balls. Find eccentric treasures like a chartreuse beehive wig or a hand-painted sign reminding you to "Be Nice or Leave."

From dive bars to haunted landmarks, **111 Places in New Orleans** invites you to experience the city's quirky, mystical, and unforgettable spirit—one hidden place at a time.
