When it comes to sustainable brand presentations, the question is no longer whether we can conserve resources and build green, but how! Sustainability has become a must. But to make circular brand spaces a reality, everyone – from exhibitors to designers to visitors – needs to pull in the same direction. The new issue of the **Brand Experience & Trade Fair Design Annual** features successful examples that demonstrate an intentional approach to people and the environment – and are inspiring to boot.

Text in English and German.
