In 2020, in recognition of outstanding accomplishments in new design concepts and developments in craftsmanship, the Danner Prize, four honorary Danner awards, and an impressive exhibition were conferred for the thirteenth time. This publication presents the selected works with large-format photographs, descriptions of the artisans, and texts by renowned artists. To celebrate the 100th anniversary of the Danner Stiftung, several choice objects from the foundation's own collection are also being exhibited, alongside exquisite items of jewellery by the court goldsmith Karl Rothmüller. This diverse series of highlights is complemented by photos from the exhibition in the Pinakothek der Moderne in Munich. Read, view, and enjoy this all-round fascinating publication!
