<b>Price</b>	£36.50

- Fully illustrated with 90 images and 44 plans
- With an article by Loa Haagen Pictet

Founded by François Frey and Valentine Chamay Frey, the Geneva-based practice frey architectes takes a modern, minimalist approach. It focuses on the new construction and conversion of villas in the Geneva region. Completed in 2004, Villa F in Vézenaz is a good example of the practice's rational style, harmonising the construction system and the architectural expression.

Text in English and German.
