- Includes 250+ stickers, about 80 of them with glitter
- Adorable art created by an award-winning illustrator

Dress up the models and decorate the fun scenes with over 250 dazzling stickers!

This enchanting book is full of models to dress up with glittery stickers of outfits and accessories. Use stickers to enhance the wonderful settings too, from the fitting room to the runway. The stickers are removable, so you can change up the characters and scenes as much as you want! Ages 4+

Sara Ugolotti studied architecture and illustration. She has specialised in children's books and now works as a freelance illustrator. In 2016, she was the winner of the Worldwide Picture Book Illustration Competition (WWPBIC), Netherlands; the "Judge Special Prize" at JIA Illustration Award, Japan; and a finalist at the Golden Pinwheel International Young Illustrators Competition, Shanghai, China. Her titles are translated worldwide.
