We choose the best images from well-known classic and contemporary fine artists, plus talented emerging illustrators and designers from around the globe.

Hilma af Klint (1862-1944) was a Swedish artist. Her abstract artworks, may featuring bold colours, geometric, and free form shapes, were created as visual representations of af Klint's spiritual experiences. These avant-garde works are now widely considered to be among the first pieces of the Abstract art movement.
