Size	330 mm x 245 mm
Pages	96 Pages
Illustrations	80 color
Price	£37.50

- A collection of unique floral art that combines flowers with other materials

Japanese floral designs often outshine other floral arrangements in perfection and symmetry. The floral designs of Hiroyuki Oka are no exception to that rule. But next to fine, detailed craftsmanship, this young floral artist is gifted with a great sense of humour and an eye for quirk. Next to some more traditional Japanese floral designs, this first monograph brims with captivating creativity, originality and witty designs destined to bring a smile to your face.
