For 20 years, the practice of Markus Schaefer and Hiromi Hosoya, with offices in Zurich and Kyoto, has been working in the fields of architecture, urban planning, media installations, strategic planning and consulting. Interacting with an international network, it implements projects throughout Europe – including the Elbinselquartier in Hamburg-Wilhelmsburg, various private and public buildings and the modernisation of Europe's highest-altitude regional airport in Samedan.

Text in English and German.
