If anyone manages to capture the humour in everyday scenes, it is photography legend Elliott Erwitt, who sadly died at the end of 2023. From the 1950s onward, he photographed not only celebrities and famous political figures, but also sociopolitical events, producing many iconic photos. His passion, however, was for snapshots, which he often photographed with a twinkle in his eye. **Last Laughs** shows the most amusing photographs from Elliott Erwitt's extensive portfolio.
