- Collection of quotes that have never before been available for the public
- Visionary view of life
- Fascinating quotes by one of Modernism's most important artists

A gem of a book that stays with you long after you have finished it. Edvard Munch wrote continuously; letters, diaries, literary texts and other notes. In **Like a Ghost I Leave You** you will find striking statements about art versus nature, enemies, money, death and much more. – “Had I been in Possession of the as yet undiscovered little Remote telephone which one carries around in one’s Pocket You would have long ago received Communications from me”- Undated draft of a letter to Jens Willumsen.

**Edvard Munch** (1863-1944) was one of Modernism's most significant artists. His tenacious experimentation within painting, graphic art, drawing, sculpture, photo and film has given him a unique position in Norwegian as well as international art history.
