- A series of masterpieces of painting from famous masters of two Chinese dynasties, presented in the traditional format of a handscroll
- Includes important postscripts and observations of the works from later generations

The series contains a collection of masterpieces by famous Chinese painters of all ages, with a rich variety of subjects and styles. It presents a selection of paintings from the Tang and Song dynasties, including figure and landscape paintings, showing the splendid charm of traditional Chinese painting at its peak from multiple perspectives. The volumes are accompanied by expert interpretations, analysing the characteristics of the paintings and the key points of appreciation, and guiding the reader through the beauty of the paintings in an insightful text.
