- One of the most popular and most visited cities in the world photographed by award-winning designer, art director and photographer Mathieu Bitton
- Leica Ambassador Mathieu Bitton shows fascinating pictures of everyday life in Paris as well as special moments of Parisian high society
- Personal anecdotes and reflections give an insight into his memories and experiences in the City of Light and show his deep connection to Paris

In **Paris Blues**, Mathieu Bitton shows the beauty and charm of the city of Paris, which has a special meaning to him. Through his lens, he captures the essence of Paris, a place that serves as his childhood home and an ongoing source of inspiration for his artistic work. Bitton is known for his ability to capture the truth of a subject and the authenticity of a moment, which is also reflected in this collection.

This book is not only a tribute to his hometown, but also a continuation of his successful exhibitions such as *Travelogue, Ascension* and *Darker Than Blue*, which have received worldwide acclaim. Bitton's work shows a deep connection to Paris and offers the viewer an intimate view of the city that has had a lasting impact on his memories and artistic work.

Paris-born **Mathieu Bitton** is a renowned photographer, designer, and art director. He has photographed stars like Quincy Jones, The Rolling Stones, and Lady Gaga. A multiple Grammy winner and Knight of the Order of Arts and Letters, Bitton designs albums, posters, and books. His exhibitions and role as a Leica ambassador highlight his versatility and dedication to capturing the truth of a moment.
