£22.95

This volume, the third in the *Laboratory* series, focuses on the language of materials in history and the present day. Within this framework, it analyses how alternative construction principles can be “researched” and where decisive development momentum lies. Also available in the series: *Researching Architecture* ISBN 9783037610237 *Climate as a Design Factor* ISBN 9783037610732
