**Stein Are Hansen** is probably one of the most eccentric floral artists with a reputation worldwide. He was Norwegian Champion several times and ended up third in the European Championships in 1999. He is currently working in Norway and China and runs his own shop in Oslo. He likes to work in a minimalist way with non-professional models (mostly florists themselves) and has the gift to amaze again and again with the completely unexpected. All of his colleagues consider him as a real trend-setting artistic genius. Stein Are Hansen performs on a regular basis in Norway, Sweden, Finland, Denmark, Germany, Austria, China and Taiwan. This volume is a truly breathtaking compilation of his works. **Also available:**
