One of the most beloved stories in children's literature now comes in a brand-new format: a puzzle colouring book! This unique book gives kids three types of creative fun in one! First, they can read one of the most famous children's stories ever written: *The Wizard of Oz*. Then, every illustration is in the form of a jigsaw puzzle they can take apart and solve. But when the jigsaw pieces are pulled out, there's also a black-and-white drawing underneath, ready for them to colour any way they want. Ages: 5 plus

Fabiana Attanasio began her artistic career in comics before becoming an illustrator. She graduated from the International School of Comics. She is currently working with publishers in Italy and abroad. For White Star Kids she has illustrated the incredibly successful *Coloring Fairy Tales* series.
