- The only up-to-date book on the market focusing solely on high-end women's watches
- An inspiring blend of craftsmanship, innovation, pop culture and style
- The cover image presents the famous Serpenti Misteriosi watch in rose gold specially made by Bulgari and worn by Elizabeth Taylor

Timepiece, jewellery and investment in one.

In times of increasing digitalisation, when anyone can tell the time with a glance at their phone, analogue timepieces have become a real treasure. They look good and are an incredibly versatile accessory. There is a suitable model for every style. This book is a tribute to the ladies' watch, which can be a symbol of craftsmanship and status, as well as an irresistible piece of jewellery and a valuable everyday companion. **The Wonderful World of Woman's Watches** sheds light on the history of women's watches, shows iconic models and the women who wear them and introduces influential women in the world of watchmaking. Of course, there is also a style guide.

Text in English and German.

Rhonda Riche is a Toronto-based writer specializing in watches, design and culture. She is currently Editor-At-Large for Watchonista, to which she contributes articles on collectors and their watches. She has written for *The Globe And Mail*, *Sotheby's Insights* and *In Style*, is co-author of the book *Covet Garden Home*, and was a regular contributor to CBC Radio 1's 'Definitely Not The Opera'. She has been nominated for several National Magazine Awards.
