Aamir – Actor, Activist, Achiever. An acclaimed actor who became the thinking man's superstar. An ardent activist who highlighted complex social issues and spread awareness. An accomplished achiever who reinvented the entire concept of a movie star. Aamir Khan – actor, producer, director – has so many colors in his life that it is almost impossible to compile them in a single book. The author and photographer, **Pradeep Chandra**, attempts the insurmountable task of tracing the trajectory of Aamir's career that has seen him evolve and become one of the greatest contributors to the art of cinema in India and a hugely influential public figure. This book is the author's tribute to the superstar and the man behind it.
