- An informative accompaniment to an exhibition of Giorgio Morandi's work at the Museo Novecento, Florence
- Focuses on Giorgio's relationships with some of the greatest contemporaneous art critics

This book, like the exhibition it accompanies, takes as a starting point four important paintings in the collection of the Museo Novecento, which belonged to collector Alberto Della Ragione, including a rare watercolour of a female figure that reveals Morandi's extraordinary artistic abilities. It illustrates paintings, drawings, and prints that have been kept in various private collections. *Exit Morandi* also celebrates Morandi's relationship with art critics such as Roberto Longhi, Carlo Ludovico Ragghianti, Cesare Brandi and Francesco Arcangeli. Contents: 1- Essay by Sergio Risaliti; 2- Florence, 28 June 1964 by Maria Cristina Bandera; 3- Morandi, Another Reading by Maria Cristina Bandera; 4- Giorgio Morandi *Elévage de Poussière* by Claudio Parmiggiani; 5- Giorgio Morandi: Resistance and Persistence by Sean Scully; 6- Works; 7- Biographical Outline; 8- Bibliograph.
