- The most comprehensive guide thus far on the miniature paintings of Pahari painters
- The book has received a Certificate of Merit for Excellence in Book Production 2011 from the Federation of Indian Publishers

In this book, which is the result of painstaking research spread over many years, Professor B.N. Goswamy has brought together Nainsukh's entire known or ascribable oeuvre: close to a hundred paintings, painted sketches and drawings which contain the first flush of his thoughts. *Nainsukh of Guler* is perhaps the first ever book to appear on a traditional painter of the past in India. It is a ground-breaking work: illuminating in its scholarship and written in a flowing, almost poetic style. Justly, it has received worldwide notice.
