A revealing monograph on Lausanne architect Ueli Brauen. Text in English, French and German.

In the Foreword to this book, the Lausanne architect Ueli Brauen writes on his collection of small-scale sketches as follows: I have been drawing and sketching since my childhood – I constantly think about my projects. Indeed, we find a cosmos of thoughts, images and image thoughts that grip the viewer, equally revealing the architect, the researcher and the explorer.

Text in English, French and German.
