<b>Price</b>	\$28.95

- An urban vanning calendar with plenty of inspiration for fans alike

The photographer Linnart Unger takes pictures of parked buses, trucks and camping vans in all variations on the urban streets. The focus is on classics that were built in the 70s – 80s. The mobile homes are silent witnesses of lived adventures and as individual as their owners themselves. And they are perfect projection surfaces for stressed city dwellers and, of course, inspirational potential for every DIYer.
